### How it works

We use our traditional ice cream trike for external events, this mobile unit gives us the ability to bring G&D's to you.

Every event is different and we want to offer you the best possible service, please get in touch via [events@gdcafe.com](mailto:events@gdcafe.com) and we will discuss all the possibilities and requirements with you.

### Bespoke Flavours

Along side our regular range of flavours we can develop and produce bespoke ice cream flavours to suit any needs. In the past we have created flavours such as Brown Bread and Eton Mess to Guinness and Bacon & Brie. Some flavours work, others get assigned to the graveyard. If you have a flavour idea please get in touch.
